

## CLUBCORP™

James M. Hinckley  
*President & COO*

To Whom It May Concern:

ClubCorp has a business alliance with Gavin Michelmore of The African Collection Safari Company. He has been marketing and operating safari tours in Africa for our members for 3 ½ years through a promotion in our *Private Clubs* magazine, the ClubCorp web site and special mailings.

We have received numerous letters and calls from our members who have undertaken safaris with The African Collection, attesting to the very high level of standards and service received. We have no hesitation in recommending The African Collection as a travel and tour service partner.

Yours truly,

James M. Hinckley  
President & COO  
ClubCorp USA, Inc.
